Subject:—

Application of Mr. S.R.Raichur requesting permission to edit and publish an English Weekly entitled the "Motherland".

One Mr. S.R.Raichur of Mysore has applied for permission edit and publish an English Weekly entitled the "Motherland" under Regulation II of 1908.

The District Magistrate, who was consulted in the matter, states that the applicant has completed the S.S.L.C Course and is about 20 years old and that though there is nothing against his character and antecedents disentitling him to the grant of the permission applied for, yet his qualifications are not by any means sufficient to run a newspaper. The Inspector General of Police also thinks that the grant of permission hardly seems desirable in the case.

I am of opinion that the permission asked for may be refused as the applicant is too young to conduct a newspaper successfully. The Dewan and the Second Member agree with me in this view.

The opinion of the Council may be graciously approved.

Dear Sir,

With reference to your D.O. letter No. G. 11305/P.P. 11-23-61 dated the 29th ultimo, calling for the submission of a confidential report on the character and antecedents of one Mr. S.R.Raichur who has applied for permission under Mysore Newspapers Regulation III of 1908 to edit and publish an English Weekly entitled the "Motherland" I beg to state that the following particulars are ascertained from the reports received from the Assistant Superintendent of Police, Mysore City.

Mr. Raichur is the son of Mr. Venkatasubbaiya who is employed as Cashier in the Office of the Executive Engineer, Lower Channels Division, French Rocks. He has a brother by name Mr. R.Gopalakrishna Rao who is a short-hand typist in the Office of the Sri Krishnarajendra Mills Ltd. He is about 20 years

(20)

years old, has completed the S.S.L.C. course and given up his studies with the object of engaging himself in some business such as editing of a newspaper or magazine. He has no press of his own but intends getting the printing work done in some other press.

I have personally interviewed the applicant and found him a fairly intelligent young man, but it appeared to me that his qualifications were not by any means sufficient to successfully run a newspaper or magazine as contemplated. There is, however, nothing against his character or antecedents disentitling him to the grant of the permission applied for.
